

William F. Fultz

March 21, 1927 - November 22, 2020

William “Bill” Franklin Fultz, of Wormleysburg, PA, entered into eternal rest on Sunday, November 22, 2020 at the age of 93. He was born in Belleville, PA to Kate and Roy Fultz. He grew up with 10 brothers and sisters.

Bill served in the Army in WWII. After the Army, he moved to Harrisburg to attend Central Penn College to study accounting, when he met the love of his life, Jacqueline “Jackie” Bender. With the help of the “Goon” squad, Jackie and Bill lived life to the fullest and made more than a lifetime of memories for themselves and their family. Bill eventually left the accounting field for work at Bethlehem Steel. Bill then took a job working on airplane instruments at Olmsted Air Force Base and was transferred to Tinker Air Force Base in Oklahoma where he worked for two years. Bill returned to Pennsylvania to work for PA Carwash Systems then Bernardi Brothers where he serviced car washes across the country. He eventually purchased and operated the former Wormleysburg Car Wash until a few years ago.

Bill was a kind, loving man who made friends everywhere he went. He always had a joke to tell and truly enjoyed putting a smile on the face of a friend or stranger. Bill was not one to complain, no matter what life threw at him. He was an avid Penn State football and NASCAR fan and was proud of his perfect 300 bowling game. Bill was also very proud of his perfect attendance record all through school.

Bill was a devoted, loving father to his son, Scott Fultz, of Mechanicsburg and his daughter, Bonnie Glatfelter, of Camp Hill. He cherished his four

grandchildren, three great-grandchildren and all the rest of the “Goon” family. Bill is reunited in heaven now with Jackie where they most-assuredly will continue the good times and their adventures for all eternity.

In lieu of flowers, donations are encouraged to “Homeland Hospice” at 2300 Vartan Way, Suite 270, Harrisburg, PA 17110 or at www.homelandathome.org/giving-back/.
